NOTE

Please ensure that the hob, bowl/s, tap/s and other fittings for cut outs or that may be fitted in or on top of the bench top are on site before template as with our production process we can not start any work without these. Templating takes approx. 1 hour on site. Please ensure area is clear of other people and their equipment.

I am aware that only two site visits (x1 template and x1 install) have been allowed for. I accept that any extra site visits will be chargeable without notice per visit. Charges are subject to area.

50% deposit required on placement of order, balance due at install (unless a monthly credit facility has been approved). CREDIT CARD PAYMENTS—A 2% SURCHARGE WILL BE APPLIED. Once we receive this completed form a deposit invoice will be sent to you via email.

I am aware of the characteristics of a stone join. I acknowledge it is responsibility to inform my client of these and that if I choose, view with my client the full sheet/slab before works proceed. I have allowed for easy access for installation and understand that crane hire is additional.

I understand that this represents an official order and job confirmation.
